

CRUZZER BRUZZER

9-15-2011

A Trophy will be awarded to the winner each race date. A Trophy will be awarded to the best entertaining driver and a Trophy to the best exotic decorated car, or sound effects, like exhaust, lights, and speakers. FMS OFFICIALS AND YOUR RACE FANS WILL DETERMINE THE WINNERS !

Halloween weekend we will have something special for this class!!!

These Rules may be modified at anytime by FMS., deleted or changed for safety to provide a fair, equal and competitive race for each participate. THIS IS NOT A RACE CAR, YOU WILL BE DRIVING A CAR IN A RACE. A car or brand, or model of a car may not be allowed to be used in a race if it is superior to the majority of the cars. You may be required to have a handicap placed on the car such as removal of a spark plug wire or wires , placed in the rear of all cars in the race etc. The race procedure may change from time to time, such as a standing start, running to the right, red flag for restart, 3 and 4 abreast starts, reverse race, etc.

- This is a fun class, not a money class.
- You cannot protest any car or race procedure- it's for fun! If you do not want to have a good time do not enter this class.
- Any OEM Stock American or Foreign made front or rear wheel drive 2 door or 4 door car, that came from the manufacture with a front and back seat .
- Any OEM Stock Engine that came in the car from the manufacture. No modifications, **NONE!**
- All engine and suspension parts must remain as provided from manufacture for your car, this includes shocks and springs.
- Driver must wear a full face helmet, Driving uniform , a seat belt and shoulder strap anytime the car goes on to the race track.
- It is recommended the car be equipped with a drivers compartment roll cage. No bars through front and rear fire wall.
- A small fuel cell is recommended.
- All door glass must be removed or duct tape put over the window sill.
- The drivers door must be welded shut or securely bolted.
- Any driver that is over aggressive in their driving style will not be allowed to race.
- Any driver that intentional runs into another car will not be allowed to drive a car in future races.
- Any driver or their crew member that creates a disturbance in the pits, such as going to another drivers pits to fight will be sent home.
- Tires; DOT street radials maximum 215-70,78 or 60 series, 13", 14", 15" or 16" No racing tires allowed. **MINIMUM 40# AIR PREASURE IN ALL TIRES !**
- OEM stock wheels, for all cars.
